Your nation is like a son. What it does right is your merit, as well as what it does wrong is your fault. When you praise it, be lucid and avoid exaggeration. Praising it too much can make it indolent. On the other hand, when you criticize it, be harsh, but do not ridicule it. Do your best to improve it, not through derision or disdain, but through good examples and dedication.

Friends of Dean Martinez-Dawn

These guys are classified as Americana, Lounge, and Post-Rock.

Also, found out two members in this band are the people who do one of my all-time favorite game soundtracks, Red Dead Redemption's soundtrack . Listening to one of their albums, I can honestly see it.

This band is cooler than Lanterna as a whole.
