AAN: 5/10. Doesn't look very evil, but rather ominous.

AN: 7/10. NazBol colour scheme and presence of a firearm makes it look threatening.

I don't know how to write interesting characters, and my storytelling is lousy. Beware!

The Reformist Military Republic of Serkin.

Led by Commander Manuel Carvajal, Serkin is a nation with an anti-neko policy, after the victory of the Reformist Faction in the Serkinian Civil war, against the Monarchists and Communists.

This is all I can tell you for now.

7/10, it's the shape and colors. Any other colors maybe not, but those look pretty... runic.

The Feyrisshire people's revolutionary spirit can be seen in their banner, which flies high in spite of foreign threats and would-be imperialist interventionism.

Five nations, one continent.
