The United States of America, specifically Indiana

Jesus is Lord!

Libertas in Lumine Christi is a infant nation, only 10 years old, that is largely rural and sparsely populated.

This nation is a continuous living work in progress.

Honestly, I have a few guesses I could think off the top of my head for **Isles of Eamhna**, all Irish related...
Sooooooo...

Belfast
Dublin
or
New York

My sig states the country I reside in, so you can attempt to be more specific in your guess, ye?

Last edited by **The Realm of Hyrule** on Fri Jul 23, 2021 11:54 am, edited 1 time in total.

The Princessdom of Hyrule. A fanfiction based on the Legend of Zelda :: Twilight Princess that takes place half a decade after the conclusion of the game. A new caste of Hyruleans, no less the newly built army resent the old Guard and Princess-Sovereign Zelda for the surrender of the realm to the Twilight and the weakness of Hyrule from invasion...

Meanwhile, the Zora worry greatly about the militarization of Hyrule, and the Goron less so due to the Economic stranglehold of the Rupee of which they have as leverage.

Never again shall Hyrule fall, and never again shall we sully the name of Hylia under our weakness!

Like, imagine a square in England with these corners - Oxford, Sheffield, Grimsby, Felixstowe. You live in that square, I imagine.

Funny thing is:
No

Nice guess though... My birth place is in that square, sooo half points.
