Muse - Algorithm  
Album: Simulation Theory  
Genre: Pop Rock, Electropop  
Synthwave, Alternative Dance  
Year: 2018

Hey guys, the new synthwave album is out...

Sue me all you want, but I still have a soft spot for a lot of Muse, though some of the new stuff has some really bland pop music and some that are borderline annoying. I think Muse is a sort of guilty pleasure, no matter what weird shit they do. Like this.
