Very, very cheap comment! Nothing about the actual content... (of which there is plenty!)

That map shows the state borders AND the flags in one simple glance. You should have appreciated that about it.

Biomages, the least powerful subgroup of Conduits, are often seen using their abilities for the augmentation of conventional professions, and often achieve great success in their chosen fields. They are, however, not particularly suitable for the same level of military service as some of their more powerful "cousins".
