Agalloch - "She Painted Fire Across The Skyline, Part 3"

Such intense lyrics and vocal performance

*I saw the nightfall... It called to me like a river of shadows
It sang to me with the cries of a thousand ravens that blackened
the sky
As they took flight AND SANK THE SOL!*

*I shall never trust the sun again, Eridanis Nadir
I ran away far into the woods
To find the Sol, I called out to her...*

"I don't want to be forgotten...I never wanted to be human"

NEVER!!!!

Comatose Vigil - Suicide Grotesque

I was going to start with Demonaz album but then I was like "meh, funeral doom time!". This one's almost 20 minutes long and literally at funeral tempo.
