BN: Kopmakia is, on paper, a multi-party parliamentary democracy, however in practice there are 3 main parties: The Progressive Party, the Libertarian Party, and the Conservative Party.

If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.

The National Syndicalist Party which are a mix of nationalists, fascists, and Credesian supremacists
The Credesian Republican League which is a catch-all democratic party
The Credesian Monarchists who want to set up a new monarchy.
