Behemoth - Transylvanian Forest

Early Behemoth is way better than the later Behemoth.

Stars of the Lid-A Lovesong (For Cubs) (Part 2)

Think I'mma give this one a 8/10. Still very good but I don't really feel there are as many standout songs as the previous, beyond a few here and there and the very good first track.

And yes, I finished two 2 hour long albums tonight...Probably should sleep but I'm having another one of those nights where I don't want to go to bed....Strangely turning the soil in the garden (Starting our first garden finally!) today, even though I intentionally pushed myself, didn't wear me out all that much.

Tim Hecker-Prism

Checking off another 2013 album to finalize what I think of it. More weird electronic ambient noise stuff.

Liking this album while re-listening to it, but I don't think these kinds of albums I can ever like enough to put on my Albums of the Year list. Damn, there really are a lot of 8's in 2013...

“

looks at time

Holy hell, I've been up for over 22 hours...

So no. My mother reminded me that I got 5 hours of sleep during the

afternoon...so it was more like 12 hours. I was still exhausted though (still am now).

Matisyahu - Surrender

Apparently his new album is out...but honestly I'm not feeling this song. I listened to snippets of a couple of others, and my problem with them is the same one I have with this one; there's a lack of soul in it. It's like he's just doing this music just to do it. A lot of people seem to be feeling the same way.

May not be listening to this album then... ☐

Effing failed posting due to "Not being able to connect to network"

And damn. I haven't been able to pull that off anymore...My record is 36 hours. Now I have a hard time even jokingly attempting 24 hours anymore.

Blaudzun-Heavy Flowers

As I was TRYING to say, this singer kinda reminds me of the Agent Fresco singer.

I had a similar problem earlier.

24 hours is really easy for me unfortunately, though I'm barely functional. After 24 hours I start falling asleep even while standing up. ☐

Stevie Wonder - Skeletons

And since I have to be somewhere later, I'm off to bed, even though I probably have another hour or so in me. ☐
