Oh that guy yes I know him

La Ferra Suprema Reigns Supreme over the vast lands of Stella Nera
A land where humanity is king, above god and devil alike. A blissful Utopia for
Humanity, a horrible Dystopia for sentient robots.

Robots shouldn't have rights or citizenship;
Compromise on other non-human sapient entities is possible, with limitations,
but not on these buckets of bolts. They should serve humanity and have
absolutely no place in society other than as our servants. Think of the benefits of
this. Plus, they would almost certainly overtake humanity if we gave them the
chance, whether out of pure advanced abilities or malice, or worse, both. Think
of humanity.

Humanity First!

Well clearly you haven't felt what its like to have them try to usurp
humanity. Just wait until the inevitable happens, then you'll change
your mind.
