You'll have Cascadian Nazis instead

Aason

**Sons of Liberty** - On 2121 in the Commonwealth of Columbia: Finance has become consolidated, people escape to virtual realms for the perfect world, parasocial relationships with machines forms, eugenics has returned and algorithms shapes every part of human perspective in an America stripped of its identity by their European overlords. However, a few bands of patriots have taken upon themselves to restore Americana idealism in an age of ironic cynicism after seizing Earth's last remaining nukes. Trying to make them remember America and casting a sword of Damocles over Europe from the oil rigs and bunkers scattered throughout whilst engaged in a memetic warfare over ideals.

This nation is dedicated to the brave patriots of America

Hi! My name is-

I have a feeling that Terra da Cinza, The Scandoslavic Empire, or Washington-Columbia will respond. Or Isla Byron will find a way to sabotage that feeling. Grr.

A regional power where academics (especially science, history, and the arts) is slowly being embedded into the nation's culture

Don't worry about Byron sabotaging everything. I sorted everything out with her.\* Same can be said for Terra da Cinza or Scandoslavia.

Well, damn. I got late here. Anyway, I'm sure she's busy with something else. Check again later.

Lothy, how you doing now?

He logged off. Womp womp.

Oh, nevermind. He's back

Lothria and The Scandoslavic Empire, you two are my only hope. Please make my instincts come true.
