Most creative way I've seen someone disavow their NationStates stats!

From the Minister of Foreign Affairs of the Marineri Islands:  
The central emblem on the [Marineri Islands](#) flag represents a [penu](#), a traditional carved rock or coral tool common across the Austral Islands (irl part of French Polynesia) which is used to crush food, similar to a pestle.

Never claim you're the best at anything, because there's always the possibility there's a million more out there that are better than you. Just do your best, without overexerting yourself. That's all that can be expected of you, and all you should expect of yourself.
