California continues its annual ritual of burning to the ground.

"We won't be taxing, bureaucratic hypocrites forever!"

*We're currently fighting a just and not at all drawn-out war in the Senora Wasteland against the Roman cosplaying enslaving scumbags known as Caligulas Legion! Suck it and die from your 'headaches', you bald b*stard.*

Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join Calexico and Mexicali then, moron.

Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our Embassy Program

Granted, it destroys North Florida instead.

I support Ukraine proudly in real life, in Eurovision, and everywhere in between. Nation inspired by this song and other songs by the same band

My Swedish ancestors are probably judging me right now, because I prefer not only Ukraine but also Finland to Sweden.

Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)
