"A.D.H.D" - Kendrick Lamar

Reading the lyrics and their annotations on RapGenius... Much deeper song than I originally thought.

Ugh, pretty sure I have ADHD like my brother USED to have (he still says he has it but I don't think it is as bad)

Well, it is easy to go through albums when I find ones I don't want to go through. Celldweller one seemed less interesting then the other, Teledubgnosis one seemed different then stuff I knew and liked more, and M83 isn't really my thing right now.

### The Tuna Helpers-Hold This

One of their best songs.
