Oh wow, they even have Bad Brains and Cro-Mags on the hardcore punk station, and a metal station with At The Gates, Celtic Frost, Entombed, Kreator and Bathory! I had no idea the GTA games had such great music

Suicidal Tendencies - "Institutionalized"

Iron Man is listening to this song in his workshop in the first Iron Man movie. I gained so much respect for Tony Stark when I realized he was listening to Suicidal Tendencies while building his suit.

Wait, there's a metal station with those? Is it a different one then GTA 5?

Saints Row: The Third had Mastodon and Strapping Young Lad on their metal station. Oh, and Deftones.

Both games have stations that are supposed to be intentionally bad, like the one with Def Leppard on it in GTA 5.

That's what Tony Stark was listening to in that scene? Hmm, I didn't realize that was a punk band, but now it makes sense.

Even a big budget movie actually picks something obscure.
