5417 visited North Korea. He took a picture of a KWP official drunk, and did not heed his guide's orders not to do so, and later died of starvation in a gulag.

Monkey 5395 expressed the opinion that some monkeys take the numbering far too seriously, which aroused the ire of several other monkeys. In the ensuing scuffle, Monkey 5395 was forced to literally eat his words and he choked to death on them.

A Republic of China that allied with Japan against the USSR in WW2, stayed on the mainland, mixed with the Dengist wing of the CPC, democratized. Now allied with Japan and most of Asia against NATO in New Cold War.

Modern Tech, no NS stats, does represent my views, Tier 6 Level?* Type 5

"Chung Hwa Min Kuo" means "Republic of China"
