Giorgio Moroder - *Chase*.

Since Lillorainen's geography is currently being overhauled a 'tiny' bit, most information on it posted before December 12, 2018, is not entirely reliable anymore. Until there's a new, proper factfile, everything you might need to know can be found [here](#). Thank you. [#RetconOfDoom](#) (Very late update, 2020/08/30 - it's still going on ...)

Oh yeah, definitely.

I also like listening to *Midway*, by the same band.

INB4 somebody uses my Iron Cross to Blues Clues out my SecretFascism™ the words immediately next to it are "From Many Peoples One Nation" and the Iron Cross is a symbol that has existed since 1813 which Nazis stole Prussian Valor by wearing because they couldn't defeat Russia and wanted to LARP as an army that could.

Ironically, "Na Na Na Na Na" by My Chemical Romance.
That's where the motto "The Future Is Bulletproof, The Aftermath Is Secondary, It's Time To Do It Now And Do It Loud" comes from.
Definitely not my favourite, but it's close.
