! <:~ The Federal Republic of New Spiedska <:~ !

Many years ago, atom bombs flew across the Earth like metallic, deadly birds that would bring plague and destruction all over the globe. A nation that has historically stood in the face of adversity, New Spiedska finds herself re-born; However, to her dismay, her longtime sister-in-arms, the United States of America, suffered a much worse fate under the tides of anarchy and balkanization. Despite the loss of her ally, she will not falter; for she will ensure
Liberty for All.
