Yet, Monkey 1699 was not saved.

- **Snowland / the Snowish Republic** -

Snowland, officially the Snowish Republic, is a country located in Northern Europe. Snowland runs on democratic socialism. I'm not sure what I'll do with

the Snowish Republic yet. Snowland is one of the nations of the world where there are both humans and anthropomorphic animals, and the nation is considered to be the best in the world when it comes to treatment of anthropomorphic animals.

Monkey 1695, Monkey 1697's widow, was stabbed by Monkey 1694.
