Welcome to the United States of South Appalachia

An independent early-1980s era American South, centering around the Appalachian cultural region.

PLEASE read factbooks before judging based on flag (unless a forum game instructs you to judge based solely on the flag), thanks.

RL Location of Shin-Makai's User: Hmm... their nation seems to give off a heavy East Asian vibe but I feel like it is too obvious for it to be Japan. Instead, something about them is telling me they are from Manila, The Philippines although it wouldn't be that surprising if they are from the former.
