The Clash - Death or Glory
From *London Calling* (1979)

*Now every cheap hood strikes a bargain with the world
And ends up making payments on a sofa or a girl
Love 'n' hate tattooed across the knuckles of his hands
Hands that slap his kids around 'cause they don't understand how*

*Death or glory becomes just another story
Death or glory becomes just another story*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

*Revolutionaries wait
For my head on a silver plate
Just a puppet on a lonely string
Oh who would ever want to be king?*

*I hear Jerusalem bells are ringing
Roman Cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field*

*For some reason I can't explain
I know Saint Peter won't call my name
Never an honest word
But that was when I ruled the world
Woahahahah oh, woahahah oh
Woahahahah oh, woahahah oh
Woahahahah*

Paul McCartney - For No One
From *Give My Regards to Broad Street* (1984)

*You stay home, she goes out
She says that long ago she knew someone
But now he's gone
She doesn't need him*

*Your day breaks, your mind aches
There will be times when all the things
She said will fill your head
You won't forget her*

*And in her eyes, you see nothing
No sign of love behind the tears
Cried for no one
A love that should have lasted years*

Blur - Song 2

From *All the People: Blur Live at Hyde Park* (2009)

*I got my head checked
By a jumbo jet
It wasn't easy
But nothing is
No*

*Woo-hoo
When I feel heavy-metal
And I'm pins and I'm needles
Well, I lie and I'm easy

Toto - Africa

From *Toto IV* (1982)

The wild dogs cry out in the night

As they grow restless, longing for some solitary company

I know that I must do what's right

As sure as Kilimanjaro rises like Olympus above the Serengeti

I seek to cure what's deep inside, frightened of this thing that I've become

It's gonna take a lot to drag me away from you

There's nothing that a hundred men or more could ever do

I bless the rains down in Africa

Gonna take some time to do the things we never had

Flares [by The Script](#)

*Did you break but never mend?
Did it hurt so much you thought it was the end?
Lose your heart but don't know when
And no one cares, there's no one there*

*Well did you see the flares in the sky?
Were you blinded by the light?
Did you feel the smoke in your eyes?
Did you? Did you?
Did you see the sparks feel the hope? You are not alone
Cause someone's out there, sending out flares
Someone's out there, sending out flares*

Philip Selway - Coming Up for Air From *Weatherhouse* (2014)

*It started out today
I feel alive and the air has changed
I'm not alone, I'm not alone
It's taken an age just to
Find a way but I made it through
I'm not alone, I'm not alone, I'm not alone*

*These are the days, this is the place where I belong
Lost in another world, I believe our time will come
We shift and we change, I took a long time coming round
But I'm standing here, still standing here
I await for a breath, I'm coming up for air*
