I've just got the first (I think) White Lies CD, To Lose My Life...

So I'm listening to the whole thing from start to finish. Got to track three: A Place to Hide.

Resistance - Muse

Best track off the album. Although MK Ultra and Undisclosed Desires are both pretty good.

Is that the one that goes 'It was an honest mistake//don't look at me something something' with all the slightly electronic noises as padding?
