not that terrifying

The Second Socialist State of Jiyutera..

is an [island](#) nation whom had a rocky start in their early years of being a Capitalist Liberal Democracy. Their political squabbles resulted in the rise of a Hardline Communist Dictator, which fell to a much more mellow, Socialist Democracy after a brutal Civil War.

6/10. While it looks somewhat authoritarian the colour scheme and more rounded shapes are not typically associated with evil regimes.
