I'd say they definitely have a presence from their involvement in many of the nation indexes. I have also seen them in a few of the F7 forums.

They've certainly got an established prescence on the website, and those with a couple of months at best on their belt will probably have a vague recollection of seeing them before. They aren't a site legend or magnate or anything, but certainly decently well-known. Of course, this is expected of anyone with over 1000 posts.

Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join Calexico and Mexicali then, moron.
Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our Embassy Program
