proud agender gay person. biologically male. they/them is preferred, or he/him if it makes your life easier, though i can get really mad over that.

i'm also a music fan, mainly into progressive/Avant/experimental type stuff. right-libertarian bordering ancap whos into anarcho-individualism and free-market socialism.

Where is Drongonia from IRL? They definitely seem like the kind of guy who would be from an anglosphere country. They're probably from an industrial city in the UK, most likely Sheffield.

[Achaean League - Societas Achaia - Koinon ton Achaion](#)

The Achaean League is a Greek, Latin and English speaking Republic located in the Eastern Mediterranean. Well known for our Military, body modification, ancient heritage, our continued faith in the Greek Gods, and the fact that we have barely changed our government in 2000+ years (impressive for Europe right?). NS Stats are Turkish Propaganda and Anti-Democratic.
