Gotta say that apart from the chorus I'm really not feeling this

It is pretty weird, and I can completely understand not liking it.

Have you heard any other Death Grips?

Battlefield 3 Soundtrack-Choked

Of course I have. The Money Store was my aoty 2012.

This just feels a bit weak and slow. I keep waiting for it to explode but it just keeps plodding along.

I think that's kind of the point of it. At least they're experimenting.

I wonder what the rest of the album will sound like, though.

They release a LOT of stuff really quick. Mixtape in 2011, 2 albums last year, and a new album in 2014? I'd run out of fresh ideas by now
