10/10.

| **Great Kingdom of Albion / British Empire** • **Our Sun Shan't Yet Set**

Our skies, once clouded by ash and smoke, clear now to reveal the sunrise, a new dawn - of peace and brotherhood. Let our songs of fraternity now fill our hearts, with no room for hatred.

It's a like a compilation of human rights defenders and anti-authoritarian principles.

0.5/10 - mild concern about LGBT rights before 1970, and whether a full apology and restitution have already been offered...

Some nations really mustn't get that kind of rocket power. Too much political instability, too many borders that don't take ethnolinguistic autonomy into account.

Either a safe, forest-laden Scandinavian country at a solid 2.5/10, or an SS Oberkommandant managed to escape the front and found their own warlord state powered exclusively by the power of esoteric ruins, at which point an 8.5/10. A veneer of gentle virtue hiding an inner evil, perhaps?

The Mahorah certainly doesn't want to hurt anyone, at least
