Oto Von Schirach-Diamond Eyes

Girl I've been watching you  
Through these diamond eyes  
Girl I've been seeing you  
Through these diamond eyes  
Girl I've been watching you  
From the moment I met you  
Girl I've been watching you  
From the corner of my eye  
Girl I've been sexing you  
When I watch you get a manicure  
Girl I've been sexing you  
When I watch you get a manicure

Maybe when I love you  
You'll love those diamond eyes  
Maybe when I love you  
You'll love those diamond eyes

The creepy voice that this electronic song is sung in makes it even creepier.

And I'm just going off of what I can hear by ear, so it may be off.
