I feel bad having Mogwai as my lowest rated album so far on my list of actual rated music....

I need to put Random Access Memories on there to make me feel better.

Gotye-Thanks For Your Time

Gotye is actually pretty good. Really enjoyed this album the first time I listened to it a while back. Like it more than his most recent, which I'd probably give a 7 or some such as a rating.

When did you start rating music? RYM is a helpful website for that.

Carcass - No Love Lost

When I started focusing on my music lists more and took a break from regularly exploring new music. I've just been going through old albums I remember enjoying and finalizing my opinion on them. I was going through SO much music that I had albums I considered to be favorites after one listen so I can't really say if I truly think those deserve it after a second listen. I need to give an album at least 2 listens to have a complete final opinion on it. And I was kind of sick of listening through new stuff right now, so this gives me something else to do, which I've done at a pretty slow speed ☐

Edit: Oh, and RYM has a 5-star rating system if I recall. I prefer 10, for some reason.

Gotye-Puzzle With A Piece Missing

Forgot this songs kinda reggae.

You rate on a scale of 1-10 because there are half-stars. Rating from 1 to 5 with increments of 0.5 is the same as rating from 1 to 10 with increments of 1.

5 stars = 10

4.5 stars = 9

4 stars = 8

3.5 stars = 7

...

0.5 stars = 1

So not really a good song for me to see if I like them, then? ☐

Actually found it kinda interesting.

But what if I want an 8.5?! ☐

Might use it for general ratings.

Gotye-Night Drive

This song is one of my favorites on the album. It has a cool relaxing feel to it.

Giving this album an 8.

Just sort of average by their standards. By the way, I'm seeing Carcass live in March
