The fact that New Coin (NC) looks a little like Bitcoin.

I mean, nothing wrong with that, as long as NC also does not have crazy value fluctuations!

A local delicacy is Ayam Penyet rice, rice served with a big chicken thigh, topped with fried coconut flesh. And also some vegetables. It is a traditional Minangkabau cuisine.

The second largest country in Northern Europe (begs the question, what is "The" largest? Russia isn't part of Northern Europe after all), they control areas responding to Sweden, Norway, and Denmark, and have a Condominium on Finland that they share with Hedelia -presumably the leader of the Hedelian Common Union.

According to Article 1; Section 3: "The monarch will have the power to dissolve the House of Representatives if they see fit."

AN:

Their current flag was first raised in 1991 during the Declaration of Pan-Asiatic Sovereignty, held on two occasions; in Beijing and Neo-Manila.

Sonya Ruogang Yoon-Sook is a prominent leader of the Asian Communist Party (ACP), and the acting Head of State of the Pan-Asiatic States. Her reactionary pro-essentialist views on class society has controversially been opposed by many of her Congressional colleagues. She has also takes pride in subscribing to Trotskyist Thought, and 'some aspects' of Juche.

So she's a Trotskyist with Juche characteristics? Though I can't necessarily pinpoint which aspects you're referring to though ~~oh wait—she's a Korean nationalist. I see now.~~

A Quick Overview

A nation that rose from the ashes after the fallout from the nuclear holocaust nearly over 200 years ago. The current President of the Republic is a man named Ben Cole, who led a grand revolution against the tyrannical King of the Kingdom of Stan, whose whereabouts are unknown to the greater public. The citizenry of the Republic includes Ben's family (Emma, Victoria, Edward, Raiden, Chelsea, Winter, Piper) and other non-essential characters. Currently the nation has formed close ties with the Minutemen, Wisconsin, Minnesota, and the Windy Republic. However, the nation is cautious of the Brotherhood of Steel.

Alternate history scenario where the Communists win in the German Revolution of 1918-1919 and set up a Stalinist-backed Communist Germany in the late 1930s.
