A late PMT expanded, England-centric British Empire with some FT elements formed after a global epidemic, AI revolt and alien invasion that humanity managed to just repel despite its weakened state, albeit with ungodly casualties. The trauma of the past is deeply embedded in British culture, and the Imperium is strictly human-supremacist, determined to prevent perfidious non-humans and soulless AI from ever bringing humanity to the brink of doom ever again.

GREATER MALAYAN CONFEDERATION
KONFEDERASI MALAYA YANG LEBIH BESAR
"BERSATU MALAYA"

A MT nation which started as an nonpolitical confederation and an international defence organisation in the 1960's between Malaysia, Philippines, and Indonesia later formed into the Asian tiger known today as the Greater Malaysian Confederation. The Greater Malayan Confederation is an example and guide of progress, unity, diversity, and prosperity in not just Southeast Asia, but around the world.

0/10 Looks like a neon sign for a military night club.

Rapture City

- In the underwater city, two roles have emerged from the City's ongoing civil war: the **City Monitors** who defend the peace and the **Red Caps** who fight against unjust systems. The city's infrastructure is crumbling under its own weight and kinship is snuffed by the paranoia of totalitarianism. Yet the people would be in for a surprise as their virtual overlord have died many years ago as the oppression continues under his name...
- Not an 1-1 exact replica of **Bioshock** lore and **Rapture City**. Only the city's atmosphere and setting is maintained.
