*Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join Calexico and Mexicali then, moron.*

I'd say this nation is about 85-90% representative to my beliefs

About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

I'm probably in the minority, but I actually pay more attention to in game stats than to roleplay

A mythological feminine figure standing under cherry blossoms.

Puppet of Lilguay (Liguay's current puppets include: Isli Fogifae, Ring-o-39, and Yenoia). Sorry I've been gone since late July. I need to resurrect my nations and redo some of their lore.
