Broken Time - Sgt. Sheep. One of his mixes, no clue as to the original artists. I think it's available through the SoundCloud link in my sig, and if it is you can also listen there.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
