This topic is talking about banners, not flags, but that is an interesting analysis of my flag. (I don't think you are dumb, but just in case, banners are the pictures that appear at the top of your nation's main page)

Apologies, still new-ish to the site.

Banner looks like a fallout game produced by the Soviet government or a Russian bootleg of it.

You're fine, it takes a while to understand the vocabulary of this site, I know there is still a few terms that I don't know, and I have 3 Billion Population. I believe that banner was what you get when you have a lot of prisons and they aren't exactly nice prisons. (I got that back when I was a dictator)
