"what I believe is like a box, and we're taking the energy of our thinking and putting into a box of beliefs, pretending that we're thinking...I've gone through most of my life not believing anything. Either I know or I don't know, or I think."

Gun control is, and always has been, a tool of white supremacy.

Two steps from hell

really good music

Political and religious views don't define whether you are a good or bad person, unless you want to actively hurt everyone who doesn't believe what you say.

Bakemonogatari OST - Iroboke Neko

This is probably my favorite track from this entire series.

Conviction

Wawhawtay Benais, G Malicious, T.O.N.Y., Baby Shel, Tall Paul, & Knox

*Hotter than the sun, flow so cold, I assume that I'm one with these unseen forces
With everything said why the fuck should I forfeit, I'm from a land where the water is poisoned
We deceived by the leaders we appointed, never in a loop but they always making choices
Never could I stoop, speak loose and for the voiceless, when we fluent in Ojib not influenced by the bullshit
I live where the crack dwells, OCs, methamphetamine and coke sells
Where my natives say nigga and they say that the native shit is dead, self hatred on the rez
We oppressed, dispossessed, then they put us in schools
It's no wonder why we say, what we do, lost touch with our views
And adopted white culture, we were forced to convert, I was raised in that ball club.
Let this shift your awareness, I'm fitted with the ferris(?)
Health, wealth, wisdom, essential like my parents
Central to my growth and appearance
Looking like my pops with a heart like my moms.*
