"A sad existence that deserves no pity, unfortunately. Such a shame... I'm sure there would be many who would love to help out with his situation, but... It seems his isolation has caused him to go mad. His ability to create clones of himself has only furthered the insanity of his trauma-addled brain. He seeks only conquest."

"I adore her- a paragon of leadership, she is perfection incarnate! There are few mortals who have suffered true misery, and even fewer who rise from such misery to become great. Her ability to overcome such hardship to strike down an unjust tyrant is commendable, as is her ability to lead her people out of their suffering- her willingness to put her followers above herself is just one example amongst many of her qualification as leader. That she puts them even above her own mental health is but a small concern, emblematic only of the selflessness which is a requirement for truly great leadership."

Sylvia Lucienne Dellamorte

"Ooooh, a mermaid. She's so pretty and cute, hehe. I... I would love to just sit on the beach and maybe listen to her sing or watch her swim. I want to give her a pat on the head and a hug. Oh, it would be lovely to swim with her. I wonder what it would be like to be a mermaid. What is it like living underwater? I bet it can be quite scary, but also quite beautiful"

Sylvia was a bit too obsessed with Illitu being a mermaid goddess to give a real report... Needless to say, she's probably got a positive stance.

I'm so sorry for this short, not really serious reply, but it was a fun reply I wanted to make 😊

Sounds like faggot shit!

Seriously though, who thought about putting dolled up child soldiers with magic into the halls of government? I mean, despotism is shit, but a despotism of magical girls? Talk about ridiculous!

Okay, going to take them seriously. They essentially went on a warpath, assisting the Nazis with their conquest of Europe. This was something I have and always will oppose. The slaughter of white peoples by the Nazi war machine will never be tolerated, even if these magical girls have diluted the Nazi regime slightly.

Their slavery of the Soviet people is the most abhorrent part of about them. I only pray that the Soviet people rise up against this Teutonic tyranny.'

The 'negroes' you loathe are one of the people groups that contribute to the culture of America. Plus, the Democrats have become a lot less racist compared to when it was the 1800's or whatever. Now the Republicans are the racists, haven't you got the memo?"

Unfortunately, I can't really say I like you. I ain't gonna insult you or nothin', but you're a catholic and a distributionist. I may have some communalist sympathies, but your ideology is just- eguh. I guess we agree somewhat on the whole gay marriage thing, but that's 'bout it. And the fact you're catholic means I am resigned to distrust you. No offense, but anyone who trusts in big hat man and his army of boy lovers to protect you is foolish at best and evil at worst. "He is far too benevolent for his own good. The Xeno King will regret his path of kindness, as the world outside his realm is not kind. He will crushed like an insect, and be forgotten to the dustbin of history. Despite all the good he has done for his people, which I do agree it is admirable but how he portrays himself does not for a long reign."
