Known I see them often and they have a memorable flag

Birds are government drones. The media has lied to you this whole time. Well, good morning good afternoon good evening nationstates. Long Island born and raised liberal conservative, actor, singer, history enthusiast (I know original), antique simp, fan of prehistory and especially dodos. Have a good day everybody :)

Seeing their flag, I'm quite sure I'd remember if I'd seen them before.

Not very well known to me, at least.

Leftists abuse politics for their narcissistic need for moral superiority. Ironically, they usually achieve the opposite.

I've seen him a few times already.
But I cannot say that it is known.
