I listened to one Depeche Mode album and thought it was pretty good. Not sure if it is something I'd listen to regularly, though.

I've only actually listened to *Violator* and I really liked it and I don't know why I haven't listened to anything else of theirs.

I don't really listen to Depeche Mode either. I hear it on the radio and I really like 'Enjoy the Silence'. But I'm surfing on YouTube, so I'm listening to pretty much whatever is in the suggestions. I started with The Beatles...now I'm here. ☐
