Nine Inch Nails-35 Ghosts IV

This most instrumental album is pretty cool, actually. One more song to go and I finished my (2) industrial/gothic bands of he stuff I care about going through!

Though I have Godflesh lying around but that's in my metal section.

Nine Inch Nails-Reptile

Probably one of my favorite Nine Inch Nails songs. Hurt (which I used to bad mouth when I heard it a long time ago, because my musical tastes weren't evolved enough. Liked the Johnny Cash version, though), and this one are probably favorites off the album.

Hmm, I'm surprised with how many of these I'm actually liking, but I'm going to take a break from the hip-hop for now.
