I'm listening to Rush's new album all the way through, and it is *glorious*.

Ants of the Sky, Between the Buried and Me.

I might go see them in October.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
