This sounds sweet, so I got hopes for this soundtrack...know absolutely nothing about the game.

I heard it on soundcloud - someone linked it with "DANTE CONFIRMED FOR WUB WUB" and i thought they were joking and I opened it and i nearly pissed myself laughing.

They basically took all the cheesy and hilariously bad stuff from Devil May Cry and tried to make it 2edgy4u and the whole thing looks like a childish mess.

Some of their D&B stuff is...not bad, though.

Take My Bones Away, Baroness.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
