They consider Tokhari to be its own language, while western sources usually view it as a dialect of Persian. Kinda like the opposite of Chinese, which is considered to be a single language by the PRC's government, but most other sources view it as several distinct languages.

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.

Well of course he wasn't Columbus, he wasn't a genocidal madman.

Just a madman that thought he'd reach Vinland, found the tip of South America instead.

No *fucking* way, really? There's no way you couldn't discover that without reading the factbooks, amirite? Sorry. Shit-tier response.

Digitatum Civitatem is an independent state.

AN: They control territories that roughly correspond to parts of the modern Romanian, Bulgarian, Moldavian, and Ukrainian states.
