My nations policies are not economic, but a deliberate attempt to kill of the spirits and the sacred forests of the Pagan rebels.

My nation does NOT represent my RL views.

State-enforced atheism.

QUOTE

---

Note: Many factbooks are in a constant state of WIP or being considered for entire rework or deletion

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.

## Atheistic satanism

"Stick to the pack, and the pack will provide."  
We are a leftist nation that believes in the "we" over "I". That's why we are fond of wolves, because the Alpha looks after the pack.  
Stick with us, and give us loyalty, and we'll do things that benefit you, and we'll stick with you.  
If you cross us, however, then as a pack, we will hunt you.  
Don't underestimate us.
