"[REDACTED]"

Hmm. I swear I saw something strange in that signature but when I copied it into my reply it vanished.

There has never been anything strange in our signature, comrade. Now move along. Do Deblar's signature instead.

What? Uh...

Thanks Bill

Good job, comrade, but certain words have been removed for your safety.

Thank you for your understanding.

Unfortunately, comrade, it appears that you have been ninj'd. You must now do Hintuwan's signature.

Why do I have to do so many signatures???

Good job, comrade. Misinformation has been removed for your safety. Thank you for your understanding. Glory to Karazicu.
