Facial hair.

A modern day country with strict policies on eco-friendliness, economic freedom, and international transport. We celebrated twenty-eight years of independence and equality from the British Empire. Long live Noraton, long live the world!

We are a former British colony in Sumatra, Singapore, and the Malay Peninsula.

Holy Hand Grenades.

Current year: 2000.

Since 1985, Passione has been one of the most powerful mafia syndicates and organized crime forces in Italy, possibly the world, despite having as little a 750 members, most of them gifted with extraordinary superpowers.

(This nation mainly relies on lore from the anime/manga series *JoJo's Bizarre Adventure*, specifically Part 5, *Golden Wind*. It also uses lore developed in the non-canon light novels *Purple Haze Feedback* and *Golden Heart, Golden Ring*, as well as the unrelated anime *Black Lagoon*. This also contains diverged lore, specifically that everyone can see and interact with stans, *Giorno Giovanna* never existed, and that *Sorbet & Gelato* never died nor investigated the boss due to conceded demands.)

Rocks.

THE PEOPLE ETERNAL

" We will not bow to your dictation. We are free. We bled to be free.  
Who are you to tell us what we may and may not do? **We stopped being your slaves an era ago.** "

**South Reinkalistan** is a massive, ecologically-diverse nation notable for its roving student militias and widespread hatred for the elderly. In the midst of a room-temperature cultural revolution that's lost its momentum, the Party carefully plans its next move. As the brittle bones of fragile empires begin to crack beneath their own weight, history's symphony reaches crescendo pitch. The future is all but certain.

Insulated Gloves

Ithallians are the definition of unconquerable. They are bound by a brotherhood that can only be forged in a war, for Ithallians, all of them, know the cost of freedom. As long as you respect them and are faithful in your dealings with them, Ithallians will treat you like a member of that family. If not...they don't tend to leave survivors...
