The National-Demons

Lyrics in this song makes me think it's about schizophrenia and hallucinations or something.

I get a sudden sinking feeling of a man about to fly~

Never kept me up before. Now I've been awake for days~

I can't fight it anymore. I'm going through an awkward phase. I'm secretly in love with everyone I grew up with~

All my drowning friends can see that now there is no running from it~

It's become a crux of me. I wish I could rise above it~

Passing buzzards in the sky. Alligators in the sewers. I don't even wonder why~

The more I see the Pythons and the limbs. Do not know what's wrong with me~

Considering these lyrics seem really random ☐ Probably my favorite song on this album, though.

Let's hit 'random'

The National-

Sorrow found me when I was young
Sorrow waited
Sorrow won
Sorrow, they put me on the pill
It's in my honey
It's in my milk~

Every time I listen to this song, I think of my RP characters with depression ☐

The National-Anyone's Ghost

I like this The National album more than their latest. Maybe it's just because this is the first one I listened to by them, I don't know. Don't really find their new one that exciting, to be honest.

The National-Little Faith

Huh. This songs title is making me think of something completely different. My 8-year old cousin, who was in that terrible car accident, is named "Faith". And while she's taller than her 9-year old cousin, she's still 8, so "Little Faith" works well. Doubt the lyrics do, but I find that a bit weird.

The National-Afraid of Everyone

I'm afraid of everyone~

Again, sounds like something that would work for multiple characters of mine, at least at one point.

I don't have the drugs to sort it out~

Could be used to describe a few, too.

....I think of my RP characters too much. I think I'm emotionally attached to them
