### The Strokes - One Way Trigger

Listening to the album stream as someone who is really not a Strokes fan at all. Tap Out is a great song, a bit nonplussed about the rest so far.

I don't think I've ever liked The Strokes, either.

I was really, really surprised at how much I like this new album. It's very different. I'd give it a 7.

I've never listened to a full length The Strokes album, so I can't really say much on them.

"Romulan Anthem"

Presented as a joke, but fairly well done considering.
