I'm not sure they exist. I am wondering if they hacked the code to give themselves posts because I don't think they actually existed before now.....if they exist now....

Haven't seen them. Seen them on the "who posted first" text on the forum board but never had an interaction. Judging by post count, I'd say decently well known. At least a lot of people know who they are 100%

I've never saw it before.

Merulla is the land of the brave, the fair and of the heroes.

A great kingdom consisting of fifteen federative like states, with a decentralized power, where the real king is the Merullean people.

Come and discover Merulla, where the waves are born.

Well known.

My beliefs. Dogs and cats are both equal, racism is bad, Joe Mama jokes are funny, and TRR is better than any other region.
