Vehicular Manslaughter [7-20 years] + permanent loss of driving rights.

If you are under alcohol or light drugs, 15-20 years.
if you are under hard drugs automatically 20 years.

Premeditated murder of an ex-lover followed by body suppression.

Variable by planet and circumstance. The Standard Model of Legal Codes recommends that this alone be deemed an act of property violence and punished under criminal law with either a fine or, in accompaniment to other offenses, escalated to a higher penalty.

It depends. First, you'd have to go through the impossible task of proving it, but say that was done, it would depend on the person's intentions: whether it was done as a form of treason, trolling, conspiracy to cause harm, which could be treated as manslaughter in the event of the death of any, or other. In the end, compensation would have to be paid, but it would be very difficult to calculate how much, or to whom it should be given. But I would say that the checks on the miscarriage of justice in Khoikhoia would prevent an actual conviction.
