No more community

Seriously? Is that all you're going to input? No research into TF2's community or anything?

In typical VALVe fashion, the Sex Update is retconned into a tinier update reminiscent of those seasonal ones we get every few months or so

The fans' work and moderation is pretty awful in comparison to the devs' work and moderation

Do you people even know anything about TF2?

Devs aren't doing anything, so there's nothing to be compared to.

Jesus.

Alright, I'm doing both AN's this time. No need for the damned aggression my friend. Do I know stuff about TF2? No. I look like a gamer because of my gut irl but I know jack about it. Does it matter? Fuck. No.

AAN: The devs convince the feds to moderate the game. Hilarity ensues.

Buhers: Gabe finally does something.
