Matt from Wii Sports.

The Army of DxD is an army tasked with defending the world from supernatural threats that aim to bring chaos to or destroy it. It is, for the most part, neutral in human politics (though it does slightly favour NATO), but will actively try to prevent a world war, and, in a war, will take a side if its bases, puppet territories and/or concessions are attacked enough.

Most of the stuff here is WIP.

Tech Level: MT, with leanings towards early PMT/FanT
A **11.142857 civilization**, according to [this index](#).
